CHRISTMAS 2026 · RESTORING JOY RECOVERY

Christmas at Restoring Joy

Give a gift *that stays.*

A faith-based home where women rebuild their lives. This Christmas, help every woman in the house wake up knowing she was remembered, and help the house start the new year with what it needs.

Your gift, *by name.*

$10	feeds Bonnie and Clyde, the house's two hens
$25	stocks the medicine cabinet for winter
$50	is a Christmas gift for one child, from their mom
$100	helps keep the heat on in January
$250	goes toward glasses or a dental visit
$500	keeps the house's tires and brakes road-safe
$1,000	goes toward medical care for a woman who has none

Or give any amount to gifts and care for the women, presents for their children, the house, or the education ministry, including a GED class we're working to bring on site in January.

Every gift goes to Restoring Joy Recovery. Shared by Lindsey Elmore, who volunteers there and receives nothing from these gifts.
